DA9013
Drawing & Sketching for Design & Space Construction

Eligibility: NTU

• Chng Chin Kang (Part-Time Faculty)
G01 (63164)
Tuesdays, 1300 – 1600 at ART-02-28/29

• Ng Woon Lam (Associate Professor)
G02 (63165)
Thursdays, 1300 – 1600 at ART-02-28/29

Learning Objective
The course aims to improve your ability in visualizing design patterns and space through theory and practice.

Content
Using drawing and sketching tools to explore design concepts and advanced space study extensively, through introduction of various master drawing and sketching approaches, connected to different compositional needs.
